

Jeff Ivey

General Manager, Data Centers
Corporate Office Properties Trust

Jeff Ivey is the General Manager with Corporate Office Properties Trust. In this role, he manages the operations, security, staffing, sales & marketing, sales engineering, telecommunications & connectivity and customer relations.

Jeff has over 30 years of experience in the commercial and critical infrastructure industries. He has a strong background working with large corporations including the integration of multiple business units in fast paced and dynamic environments. He has direct experience with merger and acquisition activity resulting in both rapid growth as well as corporate downsizing.

Jeff is an active data center and IT infrastructure professional. He is a member of 7 x 24 Exchange, AFCOM and NVTC Data Center and Cloud. Jeff's varied background in managing operations, sales and strategic corporate planning provide the perfect foundation for being successful in the data center industry.

In his spare time he coaches youth ice hockey for the Reston Raiders Hockey Club and he is also an avid motorcycle rider.
